## **REQUEST FOR LETTERS OF INTEREST FOR DESIGN-BUILD SERVICES**

The Missouri Department of Transportation (MoDOT) is soliciting Letters of Interest from companies interested in providing Design-Build services for replacement of the US 69 Missouri River Bridges, in Platte County, Missouri and Wyandotte County, Kansas.

The project's primary purpose is to replace the existing US 69 bridges over the Missouri River.

**The Environmental Assessment (EA)** for the bridge replacement cleared a specific "footprint," or an area approved by National Environmental Policy Act (NEPA) for construction. Using these guidelines, one design-build team will be selected to design and construct the project. In addition to design and construction, quality management and utility coordination may be included as part of the contract. MoDOT will use a Best Value selection process to evaluate the ability of the Design-Build proposers to meet or exceed the project goals.

**An informational meeting is scheduled from 2 to 4 p.m. Thursday, January 9, 2014, at the Gamber Center, 4 SE Independence Avenue, Lee's Summit, Mo. 64063.** It is anticipated the Request for Qualifications (RFQ) will be released this same day. At the meeting, a presentation will be made on the project, followed by a question and answer period and time for networking.

Firms interested in receiving US 69 Missouri River Bridge Design-Build information should send a one-page **Letter of Interest** to MoDOT by email and by registered mail, or similar delivery method that indicates proof of receipt, no later than December 31, 2013, to ensure that you receive all information. An email can be sent to [US69MRB@modot.mo.gov](mailto:US69MRB@modot.mo.gov). The Letters of Interest will allow MoDOT to compile a list of interested companies for notices and any announcements relating to the US 69 Missouri River Bridge Design-Build Project. Address all letters or email to: **Mark Fisher, P.E., Missouri Department of Transportation, 600 NE Colbern Road, Lee's Summit, MO 64086, [US69MRB@modot.mo.gov](mailto:US69MRB@modot.mo.gov) or phone 816-607-2271.**

Include in your Letter of Interest the company name and a contact person at your company including, address, phone number and e-mail. Please indicate if your firm is a Disadvantaged Business Enterprise (DBE).

You can find information about the project as well as links to the EA on our website at [http://www.modot.org/kansascity/major\\_projects/US69MRB\\_bridge.htm](http://www.modot.org/kansascity/major_projects/US69MRB_bridge.htm)
